

St. Francis of Assisi's English Primary School
Temperature and Rapid Antigen Test Record Form

03-10-2022

1. According to the EDB guidelines, all students entering schools must take a COVID-19 rapid test and be tested negative, as well as having their body temperature taken. Therefore, please take your child's temperature and complete a Rapid Antigen Test (RAT) before arriving SFA.
2. If tested COVID-19 positive or having the temperature over 37.5°C or 99.5°F, candidates must not go to the campus and should stay at home.
3. Please print the form, record the RAT result and temperature in the form before entering the school campus. The school reserves the rights to deny entries to the school campus to any students whose parents fail to complete the form below.

Date: 08-10-2022 15-10-2022

Name of Candidate: _____

Application Number: _____

Temperature	RAT result (please ✓)	Signature of Parent/Guardian
	<input type="checkbox"/> Positive <input type="checkbox"/> Negative
